Market value reflects (1) the Central Illinois cash price received on crop sold, (2) price on the unsold balance on the report date, and (3) futures and options profits and losses. Track Records do not include loan deficiency payments or marketing loan gains, which may substantially change the results.

For a free copy of the Adviser Performance Comparison Table and how to have your crops sold on the advice of these advisers, call (800) 933-3996.

* Adviser uses hedged-to-arrive contracts, which show up in futures values, not cash sales, until basis is set.

** Futures hedge advice only.
